NOTES OF SOUTH SIDE

Congregation of St. John's Church to Conduct an Excursion.

JUDGE'S HOTEL BURGLARIZED

A Large Quantity of Whisky and Cigars Stolen—Son of Malcolm Johnson Severely Burned by Spilling Coffee on Himself—Patrick Looney is Improving—P. O. Foley Returns from Army Service.

A parish meeting of the men and women of St. John's Catholic church was held last night in the church hall. It was presided by the pastor, Rev. E. J. M. with a view toward making arrangements for either a picnic or excursion. C. G. Boland was elected chairman and M. J. Donohoe secretary. The chair appointed a committee of five, consisting of John Gibbons, jr., Edward A. McGuire, C. T. Boland, Michael Hand and M. P. Judge, to look after the matter of fixing a suitable date and also to have the latitude of deciding the objective point of the excursion. The gentlemen are to act in conjunction with the pastor.

Burglars in Judge's Hotel. The hotel of Martin P. Judge, on Main street, Minooka, was broken into and robbed at any early hour yesterday morning. A quantity of whisky and cigars worth about \$50 was stolen. Mr. Judge moved his family from the rooms adjoining the hotel two weeks ago, and the burglars were thus afforded a chance to operate without fear of detection. One of the large front windows was broken and through the aperture the cracksmen entered. A thousand cigars and a case of bottled whisky is missing. The act is charged to a crowd of young toughs, who inhabit the vicinity. Mr. Judge has begun an investigation and intends to issue search warrants and keep a close watch on the prospects. He will prosecute them if evidence of their guilt is discovered.

Another for Jury Commission. George Shoemaker, of Buech street, in the Second district of the Eleventh ward, a life-long Democrat of the Thomas Jefferson type, announces himself as a candidate for jury commissioner at the next Democratic county convention. Mr. Shoemaker read the details of the maneuver which Squire Roach, of the Twentieth ward succeeded in getting his name on the "slate." He is determined to outwit Roach if possible and go into the convention with enough delegates in his favor to secure him the nomination. Mr. Shoemaker is in earnest in his campaign, and has a very large following.

Spilled Coffee on Himself. Willie Johnson, the 3-year-old son of Malcolm Johnson, of Crews avenue, upset a coffee pot full of hot liquid, which was resting on the kitchen stove, upon himself yesterday morning and was severely scalded about the arms. Dr. Manly was summoned and dressed the burns, which he states will not endanger the little fellow's life.

Shorter Paragraphs. Mr. and Mrs. James Davenport, of Shumoklin, who spent a few days' visit with Mrs. Davenport's mother, on Brock street, returned home.

P. O. Foley reached home Saturday after a term of service in the artillery corp of the United States Army, stationed at Governor's Island.

Patrick Looney, of Orchard street, whose injuries were noted in this column is improving. His physician expects him to be able to work in a month.

The field drill of camp A. Patriotic Guards set down for last Friday evening was postponed on account of rain. It will take place in the latter part of the week.

The picnic of Washington Drum corps Wednesday deserves to be well patronized as the corps is always ready to lend its services gratis in any public event.

THE best investment in real estate is to keep buildings well painted. Paint protects the house and saves repairs. You sometimes want to sell—many a good house has remained unsold for want of paint. The rule should be, though, "the best paint or none." That means Strictly Pure White Lead.

You cannot afford to use cheap paints. To be sure of getting Strictly Pure White Lead, look at the brand; any of these are safe: "Atlantic," "Baymer-Bauman," "Jewett," "Davis-Chambers," "Fahnestock," "Armstrong & McKelvey."

FOR COLORS.—National Lead Co.'s Pure White Lead Tinting Colors. These colors are sold in one-pound cans, each can being sufficient to tint a quantity of Pure White Lead the desired shade; they are in some ready-mixed paints, but a combination of perfectly pure colors in the hands of a tintist gives Pure White Lead.

A good many thousand dollars have been saved property owners by buying our paints, and color-card. Send us a postal card and get both free.
